

Nest Coast Baby Slings & Things

Unique Sling

features

- Multi-functional design for hands-free carrying wherever you are, in or outdoors
- Flexible carrying positions for newborn to 3 years (35 lbs)
- Light weight, breathable mesh sling with interchangeable weather covers
- Water safe and fast drying for shower, pool and beach use

- Adjustable for caregivers to share sling with ease
- Folds into a pocket when not being used
- Heavy-duty construction and durable fabric for years of use

Anyone needing a carrier, look no further! You won't get this quality or versatility in any other sling.

Sling System Choices

Retailers choose from a range of sling systems, each in carry case packaging for easy, attractive display. DVD instructions for all sling positions are included for customer convenience.
